EDUCATION

University of Southern California

Graduating May 2022
GPA: 3.63

B.S. Computer Science
Honors: Presidential Scholarship, National Merit Scholar
Relevant Coursework: Data Structures, Object Oriented Programming, Algorithm Analysis

EXPERIENCE

Boeing

June - August 2017

Engineering Intern
• Visualized potential designs for components of an airplane galley using Computer-Aided Design and 3D printing
• Lead community service projects aimed at educating 100+ local students on engineering basics

Lemelson-MIT Inventeams

May - June 2017

Team Lead
• Designed, built, and presented a chewing-gum removal device that helped remove nearly 30% of all discarded chewing gum around our high school
• Created and maintained a budget for the $10,000 grant from MIT, delegated responsibilities to other team members, and managed deadlines

LEADERSHIP

Chaotic 3 Urban Dance Team

August 2018 - Present

Assistant Director, Choreographer
• Provided artistic direction for competitive dance routines
• Motivated team members and maintained schedules for time-sensitive work
• Improved placing to 1st and 2nd in back-to-back dance competitions

PROJECTS

Patternize.io

• Contributed to front-end and back-end development on a web application for designing formations for dance and sports

Personal Websites

• Designed, developed, and maintained personal websites for colleagues and fellow dancers using HTML, CSS, and Javascript through Bootstrap

SKILLS

Languages	C++, Java, HTML, CSS, Javascript
Tools	Bootstrap, Git, 3D Printing
Software	Solidworks 3D CAD Software (CSWA Certified), Lightroom, Illustrator, Microsoft Office Suite, Google Suite
